About the Indian Council of Social Science Research -Western Regional Centre (ICSSR - WRC):

The Indian Council of Social Science Research, an autonomous organisation, was established by the Government of India in 1969. It, in turn, established the Western Regional Centre (WRC) with the approval of the Government of Maharashtra in January 1973 in collaboration with the University of Mumbai on the new campus of the University of Mumbai at Vidyanagari.

It consists of three buildings – a wing of the Jawaharlal Nehru Library (1976), the ICSSR Hostel Building (1976) and the J. P. Naik Bhavan (1983). The ICSSR Conference Hall is located on the ground floor of the J. P. Naik Bhavan.

During the last fifty years, the WRC has grown into a fine and exceedingly useful institution. In fact, it has now been recognised as one of the best and most developed Regional Centres of the ICSSR in the entire country

About the College :

Established in 1972 to commemorate and perpetuate the memory of our National Hero Lala Lajpatrai, our College i.e. Lala Lajpatrai College of Commerce & Economics was found on the guiding principles of Lala Lajpatrai, which he held very close to his heart. It has been developed as one of the leading educational institutions in Mumbai having NAAC accreditation with grade 'A'. The college is permanently affiliated to the University of Mumbai. It receives Grant in Aid from State Government and is included under sec. 2(f) & 12(b) of UGC Act 1956.

The college runs various courses in Junior and senior section to augment the needs of the society. The courses covered are B.Com, BMS, BAF, BBI, B.Sc.IT, BMM, BFM, M.Com and Doctoral Program in Commerce and Trade and Transport. It also conducts Add-on-vocational courses along with others. The college has an active Placement Cell, Research Cell, Entrepreneurship Development Cell, U.G.C Network Resource Centre and Career and Counselling Cell. The library is being developed as a 'Learning & Research" Centre. It is automated with SOUL Software for smooth and quick services. The library undertakes the task of digitization of institutional publication, syllabus, question papers and photographs.

The College promotes extra-curricular activities also. The college believes that education is more than just academics. In this endeavor, the institution aims at inculcating a winning attitude and empowering students with necessary skills to face the challenges of an ever-changing world. We are aware of the new trends in education and have always responded to the changing needs of students and teachers to remain upgraded and up-to date.

About the Program :

The Ten -Day Capacity Building Program on the topic Exploring the Facets of Research attempts to aid the early researchers with the fundamentals of research avenues. It will also aid the faculties to groom their research skills & motivate their scholars to traverse in the field of social science research & hedge towards the research journey with appropriate knowledge from eminent resource faculties across diverse universities.

Objectives of the Program:

- To sensitize and train the participants about the basic concepts of research and explore the dimensions of research.
- To assist and aid the participants with practical exposure of research methods and tools.
- To equip the participants in writing skills essential for quality research content & ethics in research.

Learning Outcomes :

- Gain the basic knowledge of drafting a research proposal
- Understand the basic tools and techniques of research
- Understand the Online tools and sources for diverse research interests
- Writing skills to be adopted in research proposals and thesis
- Adopting Ethics in Research
